### Heavy Duty Mount For EH20

SM-EM20HD-3967 – Heavy Duty Mount for EH20

Some applications require a more robust mount for the EH20 enclosure; we can now offer an alternative heavy duty EM20 mount. This design will withstand forces from wind and other vibrations better than the standard EM20 mount. The mount will work with all versions of EH20, and we also offer special versions of the pole adapters and junction box that are compatible with this heavy duty mount.

Part Numbers	Descriptions
SM-EM20HD-3967	Heavy Duty Mount for EH20
SM-EP21-3967	Direct replacement of EP21 that is compatible with SM-EM20HD-3967
SM-EP20-3967	Direct replacement of EP20 that is compatible with SM-EM20HD-3967
SM-EM20JB-3967	Direct replacement of EM20JB that is compatible with SM-EM20HD-3967
SM-EH20M-3967	EH20-M with heavy duty mount SM-EM20HD-3967
SM-EH202H-3967	EH20-2-H with heavy duty mount SM-EM20HD-3967
SM-EH203H-3967	EH20-3-H with heavy duty mount SM-EM20HD-3967
SM-EM20PH-3967	EH20-P-H with heavy duty mount SM-EM20HD-3967
