

Special Modification Request “SMR Product Of The Week” Spectra 7 Stainless

David Marin, Sr. Manager- SMRs

Stainless Spectra 7

We are proud to announce the Spectra 7 stainless steel camera system. This SMR offers all the features of the 1080p 30x standard Spectra 7 and the backbox, and the lower dome is a high-grade 316L stainless steel for corrosive and marine environments.

This SMR offer includes the Spectra 7 dome drive, lower dome, and backbox. The backbox is painted white RAL 9003, and the lower dome is painted Pelco Charcoal Black.

Model	Type	Lower Dome	BackBox/Trim Ring Color
SM-S723US0-4152	Spectra Enh7 1080p 30x Pendant, environmental, includes dome drive, backbox, and lower dome	Smoke	White RAL 9003/Pelco Charcoal Black
