

Special Modification Request “SMR Question Of The Week. Stainless Sarix Gen 3 Mini Domes in a Spectra Housing

[David Marin](#), Sr. Manager- SMRs

Stainless Sarix Mini Domes

Did you know that we can offer Sarix Enhanced or Pro Generation Three Mini Domes mounted in a Stainless Spectra housing?

Moreover, did you know that this enclosure and the lower dome is also high-grade 316L stainless steel for corrosive and marine environments? Meets NEMA Type 4X and IP66 requirements

This offer includes the Sarix camera, lower dome, and backbox. The backbox is painted Pelco Light Gray, and the lower dome is painted Pelco Charcoal Black. The country of origin is the United States for the Enhanced versions.

System Part Numbers:

System Part Number	Description
